Petitioning the Court

Petitioning the Court to consider the offender for early termination of supervision.

Cause

Mr. Hirsch has done very well on supervision. He successfully completed his drug aftercare treatment program without incident. He has maintained stable employment and a stable residence since his release. Mr. Hirsch has complied with all of the standard conditions of supervision. It is this officer's assessment that he is no longer in need of the services provided by the probation department and will continue to be a productive member of society. Therefore, early termination of supervision is recommended.

Alexander R. Hirsch
